## August 2022 Newsletter

Hello Everyone,  
WOW!!! Wasn't Cool Me Out a grand party. If you didn't make it, you missed a fun time with great food and great music. John Smith kept the floor full all night. Be sure to thank Carrie Sue for that wonderful meal she catered. On Thursday we cleaned up and decorated for the party under Cathy Martin's direction. It is so nice that we have members like Cathy and George Martin who graciously give their time and their decorations for us to use.

Unfortunately, some of Cathy's flamingos went missing during the party. It sure would be nice to get them back to Cathy. Meike McDonald, Bud Hayes, George Martin and Shelia McKenzie won the door prizes at Cool Me Out. The members only drawing saw Tommy Everette's name drawn for the second time. He was not present, so the money rolled over.

Gerry and I went down to Ocean Drive for the opening of Junior SOS and gave them the shoes that were collected from the club. They were so pleased and thankful for our donation and wanted our club members to know how much it was appreciated. I also made a \$400.00 donation to the Junior Association from our club's treasury. If you get a chance, you should attend Junior SOS and watch those little ones. I was really surprised how well they do and how eager they are to learn.

On Saturday, July the 23<sup>rd</sup> everyone was invited to attend Connie Poston's birthday bash at the Pee Dee Shrine Club. It was a blow-out party, and everyone had a great time.

Thanks to Connie and Tim for the invitation.

The slate for officers/Director for 2023 has been submitted by the nominating committee. They are as follows: Bayne Hayes, President, Janice Welch, V.P., Hilda Bowen, Secretary, Ron Baucom, Treasurer. Becky Berry as the Director. The floor will be open for any additional nominations from the floor during the business meeting scheduled on Tuesday September 13, 7pm, at the Circle Fountain.

On Friday, July 22<sup>nd</sup> with all the excitement of our members drawing growing, we finally had a winner. Carrie Sue Walshock's name was drawn making her a happy member. This has made for so much excitement in our club. I hope to see more members attending as the excitement continues to grow.

I hope everyone winds up the summer safely and gets ready for the new school year, football, and more dancing on Friday nights.

I will have Fun Monday tickets on sale starting this Friday. I hope everyone will buy one for a chance to win \$7500.00 at Fun Monday. You can't win if you are not in. See you on the dance floor.

Bayne Hayes

## Facts about August

### It's a popular first name in many places!

August is a hugely popular name in Sweden. In fact, it's cracked the top 60 boys' names in the country a few years ago.

### You're either a lion or a maiden if you're born this month.

If you're born in the month of August, you are always going to be one of two star signs. If you're born any time up to the 22nd of August, you're a Leo. Any time after this up to September 22nd, you're a Virgo.

### August was once the 6th month of the year

In the Roman calendar, August was known as "Sextilis", the Latin word for 6. It wasn't until 700 BC when January and February were added to the calendar, that August was bumped down to become the 8th month of the year.

### How many days are in August?

First it was 30 days. Then, 31. When January and February came onto the scene, August got reduced to 29 days. Then, Julius Caesar changed it back to 31. Thankfully it has remained that way ever since.

### The strange days of August

There are many strange days celebrated in the month of August, but here are a few of our favorites. August 3rd is National Watermelon Day. August 10th is National Lazy Day. Maybe our favorite, August 16th is National Roller Coaster Day. And finally, August 28th is fancy, it's National Bow Tie Day!
