December, 2016

The purpose of the Florence Shag Club shall be to preserve, encourage and promote the education and perpetuation of the Shag. To provide social activities at which emphasis is placed on the dance, and to inform it's members of beach music and Shag dancing activities. May Florence Shag Club forever be a part of our lives as we keep on Shagging!

Our Christmas Party is right around the corner. I hope you have made plans to attend. It will be a fun evening of dancing and celebrating the Christmas season with friends. The party will start at 7:00 PM and end at 11:00 PM. We have some door prizes available for those attending the party. We have purchased the alcohol, wine and beer from Mickey Finn's and they will serve as our bartender for the evening. The Venus Restaurant is catering the food for us and we will eat at 7:30 PM. Buck Crumpton will be our DJ for the party and he always plays great music.

It has been a privilege and honor to have served as your President for 2015 and 2016. When you have fellow officers that work together, listen to each other, and make plans together the results for the club is always good. I had that with Guy, Hilda and Palmer. The support from the club was also wonderful. Every fundraiser was successful and the attendance for the parties was outstanding. I believe a club can only be successful and survive if it has a strong membership and the Florence Shag Club has that. I want to say thank you to each of you. This is your club so keep it strong. I am proud to call all of you my friends and shag family.

The Circle Fountain will be open on December 31 for New Year's Eve and we have a DJ Dennis Osborne playing the music for us. If you have not made other plans, come join us at the Fountain and we will bring in the New Year at the greatest little bar in the state of South Carolina. We will also have a DJ on Friday night, December 30th. It has been a long time since we danced two nights in a row at the Circle Fountain.

I would like to wish each and every one of you a very Merry Christmas. I hope Santa puts lots of goodies in your stockings for Christmas.

Love you all,
Gerry
