

Florence Shag Club January Newsletter 2021

“HAPPY NEW YEAR” Florence Shag Club Members,

Can you believe it’s already 2021? Wow...what a 2020 year we have had! The Corona virus has really set things back for the past nine months; however, with the new vaccines on the way, hopefully things will start to get back to normal soon. Last year FSC ended with a great Christmas Party! If anyone missed it, you missed a great time!

Our first party of the year will be the Valentine's Day Party, February 12th. Watch for a flyer and more information coming soon.

Once again, we would like to remind everyone that has not rejoined FSC to please support our wonderful club. Your support helps to keep our club strong, active and successful in the coming years.

Please note...due to the world’s current situation with many people and businesses struggling, the club is unable to pay for the hotel room for the out-of-town DJs that play for us. Since our participation and attendance is down at the club, we cannot have the fundraisers which are needed to pay for the overnight stays. Some of the DJs travel a very long distance to play and may refuse to come this year. The fee paid for their service is \$100. The Officers, Directors, and I have decided that a tip jar will be placed at the DJ booth. Everyone is asked and encouraged to drop a few dollars into it each Friday night so the DJs will make a little more to help defray their cost. This should be done regardless of who the DJ is or where he is from. As we all know, without good music, we won't have a shag club. Please give what you can to help the Club and DJ.

I want to thank everyone for their confidence in being your next President for 2021. Based on our previous Officers, I have big shoes to fill!

Thank you for being a FSC member and supporting our Club!

See you on the dance floor...

Promises to Make Yourself in 2021

1-Prioritize Yourself You are so important, more important than you'll ever realize. If you do anything this year, be sure to look after yourself. Take care of your mental and physical health. Do what makes you happy. Surround yourself with people you align with and who support you.

2-Adventure More Whether you jet-set somewhere faraway or look for adventures a bit closer to home, giving yourself the opportunity to learn and grow as a person is so important. Embrace the unexpected, the unknown, and take a little time out of your day-to-day routine. You never know what you might experience.

3-Embrace Your Relationship Status Whether you're with the love of your life or single, embrace it. Don't depend on anyone to make you happy. You should look within yourself to find happiness and contentment before you look to others. If you're single, find that happiness within you and embrace the 'freedom' that comes with being alone. If you have someone to share your life with already, embrace them and enjoy being able to share!

Six Things to do to Start the New Year Right

1. **Add a little spirituality to your daily life.** Say a little prayer each morning. Keep a daily journal. Be on the lookout for the beauty of nature, and stop to appreciate it wherever you find it. Create a new tradition for celebrating birthdays or anniversaries.
2. **Take a look at your physical environment.** Are there papers and receipts you need to file or throw away? Take just 10 minutes a day for the next five days to work on straightening up your paperwork. You'll be amazed at what you can accomplish in such a short time!
3. **Tell one person each week that you love them.** It's too easy to forget to tell people that we care about them. This year make it a special promise to yourself that you'll tell at least one person, each week, that you love them and that you're grateful to have them in your life.
4. **Buy a plant.** Not only will you be creating better air quality for your home or office, but nurturing a plant can help you emotionally as well. While you're at it, buy a nice pot to plant it in, and place your new plant somewhere where it will give you joy.
5. **Find out how much money you need to retire.** You'll find many retirement calculators at the online financial web sites, like Quicken.com or Fidelity.com. They're easy to use (less than 10 minutes!) and can quickly give you a financial goal to move towards. If you don't have access to the Internet, ask your bank or financial broker for a paper version of a retirement calculator.
6. **Spend time with your best friend.** A one-hour lunch, a movie, a walk in the park ... it doesn't matter what you do together, as long as you spend time with each other. Not only will you get a sense of companionship and love, but you'll be going a long way towards stress relief.
