If you are interested in serving as an officer for 2022, please speak with one of your nominating committee members or a current officer. Serving as an officer can be quite a rewarding experience.

I cannot thank you enough for your continued support of the FSC. Thank you to all of those who come out each week and show your support. You are the heart and soul of this club and we appreciate you more than you know.

2021 Tentative Dates to Remember.

August 20th – Cool Me Out Party
August 26th - Golf Tournament at the Florence Country Club **We need sponsors for the tournament and players to sign up!**

My First SOS

I had the pleasure of attending my first SOS with some good friends this past weekend! I encourage all of our members to go if you get a chance. Not only will you have fun with old friends, you will make new friends and get to hear plenty of good music and do lots of dancing!

The Fall Migration SOS will be held September 15-25, 2021. You don't have to go all 10 days but I would check it out if you possibly can. It is tons of fun!

Your secretary,
Teresa McDonald

Tips to Make Your 4th of July Safe

1. Stay away from sparklers

While sparklers are often given to children, the tip of a lit sparkler can burn up to 2,000°F and can cause third degree burns.

2. Only buy legal fireworks

If you plan to buy fireworks, only purchase legal ones with instructions for proper use. Legal fireworks have a label with the manufacturer's name and directions, whereas illegal ones are unlabeled.

3. Be aware of social media posts about fireworks

In times of modern social media, children may be exposed to videos of others playing improperly with fireworks or challenging others with unsafe practices.

4. Watch professional fireworks displays

Rather than setting off your own fireworks, Johnson suggests taking kids to professional shows.
