

# Florence Shag Club July Newsletter 2020

Hello FSC Members,

This coming Friday July 3<sup>rd</sup> we welcome DJ John Smith back to the Circle at 8pm. DJ Dennis Osborne did a great job playing some awesome tunes this past Friday. The crowd was small, as it has been since we started going back on June 5th, but that's OK. We understand that many are afraid to venture out until the virus numbers go down and the pandemic eases up. Michael and his crew are doing an awesome job keeping the tables cleaned and sanitized. You can certainly wear a mask, gloves and bring sanitizer. You can dance with your partner only. You don't have to sit up under others because the tables can be pulled apart.

We have scheduled a member's only meeting for Tuesday July 21<sup>st</sup> 7pm, at the Circle Fountain. We need 25 people to be present to have an official meeting. I am also aware that many of you, that haven't been back yet, probably will not attend. We will be reaching out to all others to please try to attend. We need your support and input. The Florence Shag Club will continue to meet on Fridays for as long as we are welcome.

Our ACSC Officers are working very hard to make sure we will have SOS this fall. You need to understand that it's the Governor, the City of OD, NMB and DEHEC that are making the final decisions. We will keep you informed.

We pray that everyone stays safe and we will see you all again soon. Thank you for your continued support and kind words.

Hilda Bowen, 2020 President

**10 Fun Summertime Activities**

**1. Enjoy SONIC Ocean Water Slush Pops**

There's nothing better than taking a break with your favorite pops. A family favorite summertime treat is the all-new SONIC Ocean Water Slushed Pops!

**2. Unplug From Social Media and Hang Out With Real Friends**

I admit that I'm attached to my phone and I've been known to spend more time than I should on social media. I've made a commitment to spend more one-on-one time with real friends and less time checking my social media accounts.

**3. Enjoy the Fragrance of Honeysuckle**

Whenever I catch a scent of a honeysuckle, it takes me back to those endless summer days of my childhood.

**4. Have a BBQ**

Lots of people cook on the grill just about every night during this time of the year. I enjoy inviting the family over for some good grilled food.

**5. Watch Fireworks**

I always look forward to the 4th of July! We attend a huge family-friendly event and the grand finale fireworks are spectacular.

**7. Dance in The Rain**

When's the last time you danced in the rain? If it's not raining, turn on the sprinkler and have a blast with the kids.

**8. Watch a Baseball Game**

It doesn't matter if you attend a baseball game in a huge stadium or support your local rec team, baseball is a favorite summer pastime.

**9. Take a Road Trip**

Visit some interesting places in your state or take a trip across the country.

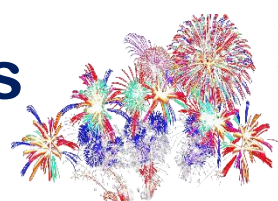

**10. Visit the Beach** And watch the sunrise.
