

Florence Shag Club November Newsletter 2020

Hello FSC Members,

If you haven't rejoined the FSC for the new year you have until November 30th to rejoin for \$30pp, after that dues will be \$35pp. You can mail your membership dues to: FSC Membership, PO Box 5538, Florence SC 29502, or come see us Friday nights at the Circle to join.

Our Fall Business Meeting has been rescheduled for Tuesday, November 10th 7pm, at the Circle Fountain. We need a quorum of 25 people to be able to vote for our 2021 officers. The nominating committee's slate is as follows:

Ron Isgett President, Hilda Bowen Vice President, Teresa McDonald Secretary, Margaret Cline Treasure, and Bayne Hayes as Director taking Jerry O'Neal's place after serving two terms. We will also be taking nominations from the floor. Please wear your masks and use hand sanitizer.

2020 has been a tough year for the shag world but we must prepare for a new and better year. After 35 years in existence the FSC is strong and must continue to be so. Please continue to support our club and the dance we all love.

Our Christmas party will be held at the Circle this year on December 11th. We have a wonderful committee in place to help with the party and I'm sure it's going to be one of our best ever. Food will be catered by the Venus Restaurant. A flyer will be available soon with all the details.

We appreciate our members and friends who continue to come see us on Friday nights. We appreciate our DJ's for the awesome tunes they play for us. We appreciate and miss those who have decided not to come back yet but plan to do so later.

Please continue to pray for our members and friends who are or have been sick.

Thank you to each and every one of you for your support and kind words,

Hilda Bowen, 2020 President

Enjoy and Appreciate Life!!!!!!!!!!

The Key to a Happy Life

When was the last time you stopped to give thanks to life, to God, to those you love, to those you don't, for many of the valuable lessons they taught you, for many of the gifts they offered you and for many of the precious moments they shared with you?

When was the last time you looked at yourself in the mirror, into your own eyes, to acknowledge your own presence, your beauty, and perfection and to tell yourself how much you love yourself?

When was the last time you took a break from the busyness of life, to be alone with yourself, away from everyone else and to feel the life that runs through your life?

When was the last time you gave yourself permission to relax? To let go of worry, stress, anxiety, fear, and doubt, letting go of all your problems and trusting that life will provide you with the solutions?

If you ask me, we stress too much and we enjoy life too little. We stress and worry about all kind of small and big things, things that we can control and things that we can't control, expecting the worse to always happen, and instead of focusing on the many things that are going great in our life, we talk about our problems, the things that went wrong in the past, the things that are going wrong in the present, and the things that might go wrong in the future.

We don't know how to enjoy life, how to live and how to be happy, with what we have, with where we are and with who we are.

Always remember that life is a journey, not a destination. It's about **living each day** as if it were your last. It's about enjoying each moment as if it were the only moment you had left to live. It's about loving the 'little' you now have, the 'little' you now know and the 'little' you now are, while at the same time looking forward to knowing more, having more and becoming more. **Enjoy today and every day!**
